AN ENGINEER'S WITTY ANSWER

Fun Poked at Several Aes of the Company
The Board of Trade. The

NEW YORK, Jan. 28.—The publication of the report of the investigation of the Pullman strike in the *Washington Post* has caused the editors of the *Post* to receive a considerable amount of correspondence from the public. The following is a selection of the letters received by the *Post* since the publication of the report. The letters are published in the *Post* as they are received, and are not necessarily in the order in which they were received. The letters are published in the *Post* as they are received, and are not necessarily in the order in which they were received.
